## **Penn Detroit Diesel Allison/Carrier Transicold Of Pennsylvania And Upstate New York Announces The Acquisition Of Karchner Refrigeration**

*For Immediate Release - May 5<sup>th</sup>, 2008*

Penn Detroit Diesel Allison LLC., with eight locations throughout Pennsylvania and New York, is pleased to announce the acquisition of the Karchner Carrier Truck/Trailer Refrigeration Business with locations in Harrisburg, Drums and Dunmore, Pennsylvania along with Karchner's Carrier Transicold business located in Matawan, New Jersey.

Penn DDA will integrate Karchner's Harrisburg location into the Penn DDA York Haven location and will operate the Carrier business under the name of Carrier Transicold of Central Pennsylvania. Penn DDA will continue to operate Karchner's Drums & Dunmore locations doing business as Carrier Transicold of Northeastern Pennsylvania and the New Jersey location as Carrier Transicold of Northern New Jersey.

The Karchner Refrigeration Business has been providing professional parts, sales, and service support to the Truck/Trailer refrigeration customers in Northeastern and Central Pennsylvania for over 25 years and throughout Northern New Jersey for over 5 Years. Penn DDA plans to continue providing the same great service that customers have come to expect by retaining the Karchner staff of parts, sales and service professionals ensuring continued service support.

With the acquisition of Karchner Refrigeration, Penn DDA will own & operate seven full service Carrier Transicold Truck/Trailer Dealerships in Pennsylvania, three in New York State and one in New Jersey providing professional parts, sales and service support for your Carrier Truck & Trailer Equipment. As a Carrier Dealership we also provide full parts, sales and service support for Carrier's Bus Air Conditioning products and Carrier's ComfortPro Auxiliary Power Units (APU's). Complimenting our offerings, we provide 24 hour per day, 7days per week, and 365 days per year emergency service and planned maintenance contracts on your Carrier equipment.
